### DESCRIPTION

It's 1998 and Kim is a journalist in New York City. He thinks he's found the only woman for him: Elise is beautiful, intelligent and, it goes without saying, a sensational lover. The only catch is that she doesn't want just him – and he's agreed to it. For months on end, Kim is tormented by the knowledge that his Elise is sleeping with someone else.

Can a man be so smitten with someone that he allows himself to be ruled by her entirely?

A bittersweet love story about how far you can go for the woman you love – and at what cost.

– A new story of the bittersweet loves of Kim, the seventeen-year-old schoolboy of 'The Well-Tempered Clavier' who is now a journalist working in New York.

– A tender exploration of passion and jealousy, and the limits of what you can do for love.
