**RIGHTS**

**Exclusive:** WORLD

### A probing analysis of the qualities that make a great leader, revealed through the biblical Moses and contemporary ideas on leadership.

"In his down-to-earth, accessible writing style, Wolak extracts key lessons from Moses and other Jewish leaders, and extrapolates those features of successful leadership that go beyond the religious context. Whether you are Jewish, Christian, Muslim, Buddhist or [...] whether you are an organizational leader or are simply interested in ethical leadership, Religion and Contemporary Management serves as a model for people who want to become the kind of leaders that our modern world truly needs." —Traci Shoblom, Owner and Creative Director, Shoblom Productions, USA

"For any reader who aspires to change the landscape of modern society, whether in business, politics, religion, or any other area where leaders have power, Religion and Contemporary Management: Moses as a Model for Effective Leadership is a valuable resource. It's time to free ourselves from the corruption that seems so rampant these days, and to follow in the footsteps of Moses." —Larry Pate, Chief Learning Officer, Decision Systems International, and Adjunct Professor, California State University, Long Beach, USA

Though few might think of Moses as a 'leader' or even a 'manager' in the contemporary sense, Moses –among the most significant leaders in Western civilization – is arguably the quintessential example of leadership from whom much can be learned by people entering and occupying leadership positions.

#### Contents

Acknowledgements; Foreword by Ruth Sandberg; Foreword by Larry Pate; About the Author; Epigraph; Introduction; 1. Ancient Leadership for Present Times; 2. Defining Leadership; 3. Leaders and Managers; 4. Heroism, Charisma and Their Limitations; 5. Empathic Leadership; 6. Humility – the Antithesis of Arrogance; 7. Moses' Essential Leadership Skills; 8.
