'Building on Ruskin's growing reputation as an environmental and economic thinker, this timely and searching volume assembles work by leading scholars to show his equally powerful contribution as an educational theorist and practitioner.'

—Marcus Waithe, University Senior Lecturer, Faculty of English, Magdalene College, University of Cambridge, UK

John Ruskin influenced Mahatma Gandhi, Leo Tolstoy, Marcel Proust and William Morris among others. A great educator, Ruskin is the force behind key debates in education today. The essays in 'John Ruskin and Nineteenth-Century Education' examine Ruskin's influence on educating girls, libraries, creativity, grammar schools, social mobility, the environment and the future of the planet.
