**RIGHTS**

**Exclusive:** WORLD

#### The first extended critical, biographical and historiographical account of Thomas Pringle's work

“Improvisations of Empire shows how a careful reading of a literary oeuvre can transform how we think about the legacies of the colonial era. It rescues Pringle from the realms of liberal mythmaking, casting new light on a historical period in which nation-building, class-consciousness, abolition, Christian evangelism and colonialism were deeply entangled.” —Peter D. McDonald, Professor of English and Related Literature, University of Oxford, UK

“Thomas Pringle has been a long-time icon of South African liberalism. Matthew Shum’s new study presents a more complex figure caught up in the contradictions of empire by a career that comprised poetry, settler propaganda and abolitionism. Equally in command of close reading and relocations that include Scotland, Cape Colony and mid-nineteenth-century London, *Improvisations of Empire* is a truly eye-opening study.” —Jon Mee, Professor of Eighteenth Century Studies, University of York and British Academy/Leverhulme Senior Research Fellow

“*Improvisations of Empire* is a remarkable achievement, which is likely to remain the definitive reading of Thomas Pringle for many years to come.” —David Attwell, Professor of Modern Literature, University of York, UK

“Shum has brought to life Thomas Pringle in all his capacities: Scottish Romantic poet, South African settler and London-based advocate for abolition. A rich and important study of a complex man.” —Jason Rudy, Professor of English, University of Maryland, College Park, USA

‘*Improvisations of Empire*’ examines the varied career of Thomas Pringle, a Scottish poet and journalist. It engages his formative Scottish years, his stay in South Africa and his subsequent residence in London where he became the secretary of the Anti-Slavery Society and a well-known editor.

#### Contents

Introduction; 1. Scotland: 1789–1820; 2. The Eastern Cape Frontier: 1820–1822; 3. Cape Town and Beyond: 1822–1825; 4. London: 1826–1834; Conclusion; Bibliography; Index.

#### About the Author

Matthew Shum, a research associate in the English department at the University of Stellenbosch, South Africa, has previously taught in the English department at the University of KwaZulu-Natal. The focus of Shum’s research is colonial writing in South Africa in the long eighteenth century.
