Describes the astonishing policy failures of populist politicians in Japan focussing on popular tax cuts and details their serious side effects.

This book describes the astonishing policy failures of populist politicians in Japan. Focussing on popular tax cuts in Japan as a salutary case study the book details their serious side effects: government debt, cuts to social security expenditure, inadequate public services and even the potential for a national default.

Contents

List of Figures; List of Tables; Preface; Introduction; 1. The Purpose of This Book; 2. The Structure of This Book; 3.
