Occupying a place front and center among important moral phenomena in need of robust explanation is the dignity of human persons. As such this perennially fascinating topic constitutes a powerful test case for rival explanatory candidates, an eminently telling clue to the import of the human condition and the very nature of reality. The essential dignity and unspeakably great worth of each and every human being is both a vital humanistic and humanizing doctrine, and an ineliminable moral datum that veritably cries out for adequate explanation to do it justice. The most penetrating explanations of human dignity refuse to domesticate or deflate it, but rather allow its full reverential and evidential force to be felt. This diverse collection adds a chorus of intelligent and insightful voices to this timely and timeless exploration, providing clarifying analysis, points of resonance and common ground across divergent views, as well as tensions and disagreements that ultimately, and instructively, may prove insuperable. — David Baggett, Professor of Philosophy and Director of the Center for Moral Apologetics at Houston Baptist University, USA

The political and legal battle over how we understand human dignity is right at the heart of the comprehensive crisis that is rocking the advanced modern world to its foundations, and there is no better scholarly exploration of that concept than the work published in these two invaluable volumes. — Greg Forster, Ph.D., Director, Oikonomia Network, Assistant Professor of Faith and Culture, Trinity International University, USA

The second of two volumes on dignity, *Law and Religious Liberty* focuses on the connection between human dignity and positive law, oriented around the central question, “What role should dignity play in the development of legislation and the adjudication of disputes involving religious freedom?”

About the Editors

Barry W. Bussey is Director of Legal Affairs, at the Canadian Centre for Christian Charities and Associate Adjunct Professor of Law at University of Notre Dame Australia, Sydney.

Angus J. L. Menuge is Professor and Chair of Philosophy at Concordia University Wisconsin and past President of the Evangelical Philosophical Society.
