Series: Anthem Companions to Sociology

The Anthem Companions to Sociology offers wide ranging and masterly overviews of the works of major sociologists. The volumes in the series provide authoritative and critical appraisals of key figures in modern social thought. These books, written and edited by leading figures, are essential additional reading on the history of sociology. — Gerard Delanty, Professor of Sociology, University of Sussex, Brighton

This book seeks to place Louis Maurice Halbwachs in his historical and intellectual context, showing that his work was sensitive to the events of his time, and that the development of his analysis could be influenced by happenstance.

Contents

Introduction; Chapter 1. A Theorist of Collective Memory, Éric Brian; Chapter 2. Halbwachs and the Durkheimian Perspective on History, Robert Leroux; Chapter 3. Maurice Halbwachs, Sociologist of Memory: His Reception in Italy and the Development of the Sociology of Memory, Teresa Grande; Chapter 4.
