A comprehensive examination of the evolution of Wittgenstein's thought from the *Tractatus* to his later 'mature' phase

"To this day, the revised edition of *Insight and Illusion* is probably the best single book on Wittgenstein." —Professor Hans-Johann Glock, University of Zurich

"This book on Wittgenstein's early to late thought is invaluable for anyone wishing to understand the ideas of this great philosopher." —Professor Hanoch Ben-Yami, Central European University

Peter Hacker's *Insight and Illusion* is a thoroughly comprehensive examination of the evolution of Wittgenstein's thought from the *Tractatus* to his later 'mature' phase. This third edition is a reprint of the revised and corrected 1989 edition, with a new foreword by Constantine Sandis.

About the Author

P.M.S. Hacker is the leading authority on the philosophy of Wittgenstein. He has specialized in philosophy and cognitive neuroscience. He has written a four-volume tetralogy on human nature of which three have been published.
