An African-American jazz musician's life on road, striving for knowledge, opportunity, acceptance and understanding.

"A brilliant musician and a courageous exploration of his complex life—to this point." — Lorna Marsden, President emerita, York University, Canada

"*Life In Reverse* is an impressive mosaic of the adventures and reflections of a jazz musician, a women's man, a black intellectual. Do not expect easy reading: this is not a run-of-the-mill autobiography, no self-analysis, no pop literature. It's raw, private, demanding, serious, fun, a great picture of our times." — Dr. Hans Christian Hagedorn, Professor, Universidad de Castilla-La Mancha, Spain

The story of African-American jazz musician Westray's life journey – striving for knowledge, opportunity, acceptance and understanding.
