A discussion of the value of voice model that can help form a symbiotic relationship within all levels of an organization/educational institution

In the world of education and business, there is a disconnect between stakeholders, their roles and responsibilities in guiding and leading organizations in a shared leadership model. Currently, leaders have a conceptual understanding of shared leadership but lack the tools to effectively guide their staffs in enacting the dynamic exchange of ideas and voice among all members of the organization to promote the development of a strategic plan focused on best outcomes.

Key selling points

- Organizations struggling with voice
- Shared leadership
