The High School Placement Test (HSPT), is a high school entrance exam taken by students in grade 8 seeking admission to parochial high schools. This *HSPT Test Prep* book comprehensively covers all the five sections of the HSPT: Verbal Skills, Quantitative Skills, Reading Comprehension & Vocabulary, Mathematics Concepts, and Language Arts. There are almost 900 questions across three full-length practice tests. Each test comes with test taking directions, time limits, answer keys and detailed explanations, so students can get an immersive experience of the real HSPT.

The book is developed in collaboration with a successful HSPT test prep institute with years of test prep experience with hundreds of successful students. It will help students not only get familiar with the HSPT in general, but even help them ace the test. The book also includes how the HSPT results are published and how to interpret the performance of the student from the results.
