**Updates rapid growth in adult, community, and further education in Ireland and beyond, providing critical insights into classroom and group settings and the social, cultural, political and ecological contexts which inform adult learning.**

This book is essential reading for educators, student teachers, policymakers, and anyone with an interest in critical viewpoints on adult, community, and further education. It offers a variety of outlooks that include educator identity, critical pedagogy, assessing learning, community education, global citizenship education, professional precarity, and more.

#### Contents
