Description

A provocative and persuasive argument that the time has come for Japan to become an engaged and conscientious global citizen.

'Engaging touches of humor and anecdotes combine seamlessly with serious, in-depth analysis.' —Supachai Panitchpakdi, Secretary General, United Nations Conference on Trade and Development

'Brilliant... Sometimes onlookers at the outside are the ones who see the inside most clearly.' -Shanghai Academy of Social Sciences

'What needs to done is summed up **Japan's Open Future.** Authors John Haffner, Tomas Casas i Klett and Jean-Pierre Lehmann make a spirited case for a more flexible and globally engaged Japan. They also focus on the real problem: an absence of creative thinking in Tokyo.' -*William Pesek, Bloomberg*

Where does Japan fit in a rapidly changing world, and how should it relate to the United States and China? Three foreign commentators make a provocative and persuasive argument that the time has come for Japan to help build a stronger Asian community, and to become an engaged and conscientious global citizen.
