**BIC code:** HBJF

**Rights Held:** World

**Extent:** 224 pages  
**Size:** 216 x 140mm / 8.5 x 5.5

### Description

**Delivers a thorough account of the Chinese Communist Party (CCP), explaining its origins and evolution, looking at options for its future, and laying bare its inner workings.**

'Dr Kerry Brown does the business in a brisk, no-nonsense way. For those who want an easy, short and very readable guide to an organisation which has shaped China's present and could help mould the world's future, Brown's book can be warmly recommended.' — *Chris Patten, The Independent*

'*Friends and Enemies* is an intelligent and accessible history of the Party. Brown condenses almost ninety years of CCP history (till 2008) into the first hundred pages. [It] is a useful complement to more detailed, technical sources [...] The book would make excellent reading for students, and I recommend it to anyone with an interest in modern China who is not already a master of the twists and turns of twentieth-century Chinese politics.' — *Mireille Mazard, The Newsletter, International Institute for Asian Studies*

*Friends and Enemies* delivers a lucid and provocative history of one of the world's largest and most successful political organizations, the Chinese Communist Party. In tracing the traumatic and bitter struggles that forged modern China and analysing the Party's approach to the challenges of the future, Brown successfully lays bare the inner workings of this enduring and formidable group.

**Readership:** An indispensable book for political analysts and business people engaged with modern China, and for researchers and students interested in the CCP's history.

### Contents

Introduction; Chapter One: A Disease of the Heart: The Rise to Power of the CCP; Chapter Two: Revolutionary Administrator: The Party in Power; Chapter Three: The Party in the Reform Era; Chapter Four: The Chinese Communist Party from 1992 to 2008; Chapter Five: The Challenges Facing China and What they mean for the CCP; Chapter Six: The Chinese Communist Party as it moves into the 21st Century; Conclusion: Gambling with the Devil: Why the Fate of the CCP Matters to Us All
